

# GREEN MOUNTAIN ROLLER DERBY 10 YEARS STRONG

11/11

AT THE

CHAMPLAIN  
VALLEY EXPO

FEATURING SKATERS FROM  
THE PAST AND PRESENT!

## GREEN MOUNTAIN ROLLER DERBY

10 YEARS STRONG  
ANNIVERSARY BOUT

NOVEMBER 11  
CHAMPLAIN VALLEY EXPO  
DOORS @ 5:00 PM

The mission of the Green Mountain Roller Derby (GMRD) is to empower women personally and athletically through the sport of roller derby. As a skater-owned and operated organization, it is our intention to hold ourselves to the highest standards of respect and sportswoman-ship on and off the track, uphold the rules and values of the Women's Flat Track Derby Association (WFTDA), and to be a positive force in our community.

The Green Mountain Roller Derby is Vermont's first roller derby league. Established in November 2007, GMRD is part of the modern roller derby resurgence. The league was accepted into the Women's Flat Track Derby Association (WFTDA) in 2010. GMRD is entirely skater-owned and operated, which means our members work just as hard off the track to keep the league running.

***GMROLLERDERBY.COM***

# MINOR CATASTROPHES

GMRD JUNIOR ROLLER DERBY

Vermont's first women's flat track roller derby league continues to support the Minor Catastrophes, Vermont's first girls' junior roller derby team. Each week girls will train with veteran skaters from Green Mountain Roller Derby learning all the basic skills of skating on quad roller skates: skating, stopping, agility, speed and endurance. Girls with skating ability from beginning to advanced can participate.

**Note:** Required gear: Quad roller skates (not roller blades), knee pads, elbow pads, wrist guards, helmet, mouth guard. All gear must fit snugly and securely. Bring your own water bottle. Girls can purchase gear packages ranging from skates only to full sets of gear; contact EJRP for ordering information. Safety equipment used for skateboarding would be appropriate for this camp.

**Keep a look out for our next session.**

# GREEN MOUNTAIN ROLLER DERBY FEATURED NON PROFIT

The Essex Junction Firefighters Association is 501(c)3 Non-Profit organization. Though mostly composed of Firefighters and Officers of the Department the Association is separate and you don't have to be a member to be in the Association. We take upon ourselves to help purchase new equipment for the fire department in hopes to keep it out of the taxes of the community members. In the last few years the Association has helped through donations we have received to purchase new 5 Gas Meters , which are used to detect gases like CO, the amount of oxygen in an area and the Lower explosive limit for combustible gases. A New \$10,000 dollar thermal imager for Engine 21. The thermal imager allows firefighters to detect heat, in a fire this allows for firefighters to find trapped victims through the black smoke around them, and also quickly find and extinguish the fire and can also be used to find lost, stranded or injured people at night in wooded areas. 3 New back up battery packs (\$1600) for all computers and radio systems, in case of a loss of power the fire department stays operational even in the worst conditions.

The Essex Junction Firefighters Association also gives back to charities throughout the community. Our common contribution is 1 or 2 Scholarships for Graduating seniors for Essex High School. We understand the importance and the cost of college for new students and do what we can each year to help the students who have shown a commitment to academics and their community. We also host a visit from Santa each year, during this event we take pictures of the little ones and Santa and also have arts and crafts and other events for the families. We also use this time to do a little fire prevention education.

Also annually the EJFFA hosts a Fire Fighter Banquet for firefighters and their Loved ones, as well as a Chiefs dinner around the Holiday Season . It is one of the tough jobs for the Association for us to show the loved ones who are left at home, the dinner table, or the gathering when the call comes in that they are just important to our family as the Firefighter, without their support the Association and the Fire Department would not be what they were.

The Association is paid for completely through fund raising and donations. Each year the Association hosts a Barbecue outside our station after the Memorial Day Parade. We also have had boot drops and have had local business support us with pull cards at their business. We can not thank those who have supported us enough as you have allowed for the Association to keep providing for the Fire Department and the Community.

## Penalty Tracker

Full Metal Annie

GMRD's referees and non-skating officials (NSOs) known collectively as the Legion of Doom, maintain safety and keep order on the track. Referees wear stripes and skates, call the penalties, and are the final arbiters of the rules. NSOs run the clocks and scoreboards, record penalties called by referees, and keep score and other stats.
