GREEN MOUNTAIN ROLLER DERBY

The mission of the Green Mountain Roller Derby (GMRD) is to empower women personally and athletically through the sport of roller derby. As a skater-owned and operated organization, it is our intention to hold ourselves to the highest standards of respect and sportswoman-ship on and off the track, uphold the rules and values of the Women's Flat Track Derby Association (WFTDA), and to be a positive force in our community.

The Green Mountain Roller Derby is Vermont's first roller derby league. Established in November 2007, GMRD is part of the modern roller derby resurgence. The league was accepted into the Women's Flat Track Derby Association (WFTDA) in 2010. GMRD is entirely skater-owned and operated, which means our members work just as hard off the track to keep the league running.

MINOR CATASTROPHES

GMRD JUNIOR ROLLER DERBY

Vermont's first women's flat track roller derby league continues to support the Minor Catastrophes, Vermont's first girls' junior roller derby team. Each week girls will train with veteran skaters from Green Mountain Roller Derby learning all the basic skills of skating on quad roller skates: skating, stopping, agility, speed and endurance. Girls with skating ability from beginning to advanced can participate.

Note: Required gear: Quad roller skates (not roller blades), knee pads, elbow pads, wrist guards, helmet, mouth guard. All gear must fit snugly and securely. Bring your own water bottle. Girls can purchase gear packages ranging from skates only to full sets of gear; contact EJRP for ordering information. Safety equipment used for skateboarding would be appropriate for this camp.

Keep a look out for our next session.
