# GREEN MOUNTAIN ROLLER DERBY

The mission of the Green Mountain Roller Derby (GMRD) is to empower women personally and athletically through the sport of roller derby. As a skater-owned and operated organization, it is our intention to hold ourselves to the highest standards of respect and sportswoman-ship on and off the track, uphold the rules and values of the Women's Flat Track Derby Association (WFTDA), and to be a positive force in our community.

The Green Mountain Roller Derby is Vermont's first roller derby league. Established in November 2007, GMRD is part of the modern roller derby resurgence. The league was accepted into the Women's Flat Track Derby Association (WFTDA) in 2010. GMRD is entirely skater-owned and operated, which means our members work just as hard off the track to keep the league running.

## STEPS TO END DOMESTIC VIOLENCE

Steps to End Domestic Violence mission is to assist in the transition to a safe, independent life for all those who have been affected physically, sexually, emotionally, or economically by domestic abuse and to promote a culture that fosters justice, equity and safety.

Steps to End Domestic Violence was formed in 1974 as Women's House of Refuge, a group of volunteers who came together to provide safety and support to those experiencing domestic violence. Using their own homes to answer crisis calls and provide shelter, these women laid the foundation for the organization that exists today.

We are a group of advocates, educators, and administrators who are passionate about providing safety and support to those who have been impacted by domestic violence, and to ending domestic violence in our community.

We are also very fortunate to have over 90 dedicated volunteers, without whom we would not be able to run our many services and events.

Visit us online to learn more about what we do.

GMRD's referees and non-skating officials (NSOs) known collectively as the Legion of Doom, maintain safety and keep order on the track. Referees wear stripes and skates, call the penalties, and are the final arbiters of the rules. NSOs run the clocks and scoreboards, record penalties called by referees, and keep score and other stats.

Garuka Bars® is named after one of the world's few remaining mountain gorillas. Our bars are packed full of simple, wholesome ingredients, and a percentage of each sale goes towards gorilla conservation.

Garuka Bars are handmade with Vermont raw honey to provide you with the best tasting, best source of pre-exercise energy.

Garuka Bars are made from ingredients you can pronounce, and it's no secret your body performs better on real food ingredients than it does artificial and synthetic ones.

As a Vermont business, Garuka Bars is proud to be the only energy bar using 100% consumer recyclable packaging.

The Heritage Automotive Group is committed to the South Burlington and greater Vermont community and there's nothing we enjoy more than giving back.
