# GMRD MISSION STATEMENT

**GREEN  
MOUNTAIN  
ROLLER DERBY**

The mission of the Green Mountain Roller Derby (GMRD) is to empower women personally and athletically through the sport of roller derby. As a skater-owned and operated organization, it is our intention to hold ourselves to the highest standards of respect and sportswoman-ship on and off the track, uphold the rules and values of the Women's Flat Track Derby Association (WFTDA), and to be a positive force in our community.

The Green Mountain Roller Derby is Vermont's first roller derby league. Established in November 2007, GMRD is part of the modern roller derby resurgence. The league was accepted into the Women's Flat Track Derby Association (WFTDA) in 2010. GMRD is entirely skater-owned and operated, which means our members work just as hard off the track to keep the league running.

Pride Center of Vermont (PCVT) is the region's most comprehensive community center dedicated to advancing community and the health and safety of the Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) Vermonters.

PCVT was started in 1999 by a group of Vermont undergraduate students. Originally named RU12? Community Center, the group worked from their kitchen table, where they answered phone calls and planned events for the LGBTQ+ community. The Pride Center was a completely volunteer-run organization until 2002, when the first Executive Director was hired. Today, we have seven core programs, a broad range of social groups, remarkably successful events, proud history of fighting for some of the strongest and earliest LGBTQ rights in the country, and a Center space that draws LGBTQ Vermonters from across the state. The Pride Center's programs and services strive to meet the distinct socio-economic, health, and safety needs of our LGBTQ+ community.

Visit us online to learn more about what we do.

GMRD's referees and non-skating officials (NSOs) known collectively as the Legion of Doom, maintain safety and keep order on the track. Referees wear stripes and skates, call the penalties, and are the final arbiters of the rules. NSOs run the clocks and scoreboards, record penalties called by referees, and keep score and other stats.
