

GREEN MOUNTAIN ROLLER DERBY

TERROR ON THE TRACK

# GREEN MOUNTAIN ROLLER DERBY

The mission of Green Mountain Roller Derby is to empower women, gender expansive, and non-binary people personally and athletically through the sport of roller derby.

As a skater-owned and operated organization, it is our intention to hold ourselves to the highest standards of respect and sportspersonship on and off the track, uphold the rules and values of the Women's Flat Track Derby Association, and to be a positive force in our community.

The Green Mountain Roller Derby is Vermont's first roller derby league. Established in November 2007, GMRD is part of the modern roller derby resurgence. The league was accepted into the Women's Flat Track Derby Association (WFTDA) in 2010. GMRD is entirely skater-owned and operated, which means our members work just as hard off the track to keep the league running.

## VT FLOOD RESPONSE & RECOVERY FUND

at the Vermont Community Foundation

The VT Flood Response and Recovery Fund at the Vermont Community Foundation (VCF) was established to support Vermonters in responding to and recovering from the catastrophic rainfall across Vermont. Established in 1986, the VCF is an enduring source of philanthropic support for Vermont communities. A family of more than 1,000 funds, foundations, and supporting organizations, the Foundation makes it easy for the people who care about Vermont to find and fund the causes they love. The Community Foundation and its partners put more than \$60 million annually to work in Vermont communities and beyond. The heart of its work is closing the opportunity gap—the divide that leaves too many Vermonters struggling to get ahead, no matter how hard they work. The Community Foundation envisions Vermont at its best—where everyone can build a bright, secure future. Visit [vermontcf.org](http://vermontcf.org) or call 802-388-3355 for more information.

# HERE TO SKATE, NOT TO HECKLE.

Roller derby is a collaborative, community-based sport. Today's game would not be possible without the participation of every skater, volunteer, official, and referee on and off the track.

While we encourage you to cheer for your favorite skaters, heckling of any kind is strictly prohibited at all Green Mountain Roller Derby events. Harassment — including name-calling, inappropriate language, targeted criticism of skaters and officials, or disruptive behavior of any kind — has no place here.

Fans engaging in behavior which is determined to be disruptive or disrespectful to any skater or official may be asked to leave by GMRD league representatives or game officials at the league's discretion.

Individuals asked to leave by GMRD representatives, game officials, or Expo security due to disruptive behavior are not eligible for a refund. Decisions regarding disruptive behavior will be made at the discretion of GMRD and Expo security.

Thank You!

# THE OBJECT OF THE GAME

The **SECOND** time around, the Jammers earn 1 point for each opposing blocker they pass. The opposing blockers will try to stop the Jammers while also trying to help their own Jammer get out of the pack.

Pivots

Jammers

Jammer Line

Blockers

Pivot Line

**THE START** Each team has 4 blockers and 1 jammer. Jammers wear the stars. The blockers from each team must line up no further than 30ft in front of the Jammers (between the "Jammer line" and the "Pivot line"). The "Jam" will start when the whistle blows, you will hear a 5 second warning first.

The **FIRST** time around the track (first pass) the Jammers battle the blockers, in hopes to break out of the pack first. The first Jammer out becomes "lead" Jammer and has the ability to call of the Jam at any time, stopping the opposing team from scoring more points. Officials will signal the lead jammer by pointing at them as they skate around the track.
