HERE TO SKATE, NOT TO HECKLE.

Roller derby is a collaborative, community-based sport. Today's game would not be possible without the participation of every skater, volunteer, official, and referee on and off the track.

While we encourage you to cheer for your favorite skaters, heckling of any kind is strictly prohibited at all Green Mountain Roller Derby events. Harassment — including name-calling, inappropriate language, targeted criticism of skaters and officials, or disruptive behavior of any kind — has no place here.

Fans engaging in behavior which is determined to be disruptive or disrespectful to any skater or official may be asked to leave by GMRD league representatives or game officials at the league's discretion.

Individuals asked to leave by GMRD representatives, game officials, or Expo security due to disruptive behavior are not eligible for a refund. Decisions regarding disruptive behavior will be made at the discretion of GMRD and Expo security.

Thank You!

THE OBJECT OF THE GAME

The **SECOND** time around, the Jammers earn 1 point for each opposing blocker they pass. The opposing blockers will try to stop the Jammers while also trying to help their own Jammer get out of the pack.

THE START Each team has 4 blockers and 1 jammer. Jammers wear the stars. The blockers from each team must line up no further than 30ft in front of the Jammers (between the "Jammer line" and the "Pivot line"). The "Jam" will start when the whistle blows, you will hear a 5 second warning first.

The **FIRST** time around the track (first pass) the Jammers battle the blockers, in hopes to break out of the pack first. The first Jammer out becomes "lead" Jammer and has the ability to call of the Jam at any time, stopping the opposing team from scoring more points. Officials will signal the lead jammer by pointing at them as they skate around the track.

GREEN MOUNTAIN ROLLER DERBY

The mission of Green Mountain Roller Derby is to empower women, gender expansive, and non-binary people personally and athletically through the sport of roller derby.

As a skater-owned and operated organization, it is our intention to hold ourselves to the highest standards of respect and sportspersonship on and off the track, uphold the rules and values of the Women's Flat Track Derby Association, and to be a positive force in our community.

The Green Mountain Roller Derby is Vermont's first roller derby league. Established in November 2007, GMRD is part of the modern roller derby resurgence. The league was accepted into the Women's Flat Track Derby Association (WFTDA) in 2010. GMRD is entirely skater-owned and operated, which means our members work just as hard off the track to keep the league running.

Miss You

Snatch
McKraken

Back in 2009, you strapped on your skates and jumped into the world of roller derby, and from day one, you've been a force. Over the years, you've given Green Mountain Roller Derby not just your time and energy, but your passion, creativity, and relentless drive. Your presence has shaped this league in ways that words cannot explain.

Thank you for everything, Snatch. You'll always be part of the GMRD family. Your legacy rolls on in every corner of GMRD. ❤️

With love,
Your Team

Danelle makes everything by hand. This is a one-woman show, and everything passes through my mind and hands before it reaches the website. That means that even 2 "like" pieces will be completely unique. That means you won't find my work, or anything like it in the store.
